RE: Commonwealth v. [REDACTED]
Lynn District Court
Lab Case #: [REDACTED]

Dear Mrs. Saunders:

I am prosecuting the matter of Commonwealth v. [REDACTED] in the Lynn District Court. You performed a drug analysis on this matter, [REDACTED]

Currently, the matter is scheduled for jury trial on August 30, 2011. Three weeks prior to that date, I need to provide defense counsel with a copy of the lab case file. Would you be so kind as to forward me a copy of these documents as soon as you are able?

In order to go forward, your testimony is required. Attached to this letter is a summons to appear for trial. Understanding the limited resources of the state laboratory, I am kindly requesting that you make yourself available to testify should the case go forward and be able to be reached by phone on the day of trial. If your testimony is required, we will do our best to accommodate your schedule and limit the amount of time spent at court.

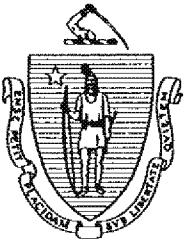

Also, please let me know if you and Kate Corbett are available to testify on August 30, 2011 and the best number to reach you on that date.

Please contact me at 781-599-8094 or via email at Lynsey.Legier@state.ma.us.

Thank you for your anticipated cooperation.

Very truly yours,

Lynsey M. Legier

- 1) Drug Receipt
- 2) Laboratory control card with hand-written notations
- 3) Drug Powder Analysis Form with Kate Corbett's hand-written notations
- 4) GC/MS confirmatory data

Kate Corbett was the primary/custodial chemist and performed preliminary testing and net weight calculations for this sample. I was the confirmatory chemist and analyzed the GC/MS data for this sample.
